were married at the home of Mrs.
Mary Jones Tuesday evening at 8 o'-
clock, by Rev. D. E. Baker. Mr. Lar-
son works for the Cash Grain Co. and
the happy couple will make their
home in Ontario.

The Portland papers are announc-
ing C. B. Moores as a candidate for
secretary of state. That would cer-
tainly make a big improvement to
have a man of Mr. Moores' calibre in
that position. Mr. Moores is one of
the big men of the state.

The Ontario boys at the State Un-
iversity seem to be making good. In
the two militia companies organized
Sprague Adam is corporal in one and
William and Larue Blackaby corpor-
als in the other. Sprague Adam is
also designated to boost for the Uni-
versity in this section.

The Vale picture show is reported
closed and there will be some more

to hurry.

Mrs. Walter Glen, assisted by com-
mittees from the Congregational
Ladies' Aid Society, gave a Silver Tea

April 5th at her home, which was a
very pleasant social event. The pro-
ceeds amounted to ten dollars. The
Ladies will hold a cooked food sale
Saturday, April 15th at McNulty and
McCreight Hardware Store.

Mr. Howland, of the Cash Grain
company, was in Homedale last week
and was much impressed with the
evident prosperity of that section.
There are many new farms being de-
veloped and the older ones are look-
ing fine. That is certainly a fine
stretch of country and the climate is
good. The fruit trees are in bloom
there now.

Mr. Peterson says there is little
she stuff changing hands and there is
little room on the ranges for more
cattle. Many of the water holes are
being fenced up and the cattle men
are cutting down their cattle. The
range is in good condition but much
of it is now being farmed and the
small settler is gradually crowding
the big companies out of the busi-
ness.

Louis Kroessin gave the boys a
big surprise last week. He slipped
over to Caldwell and returned with

married there on Friday by Rev. E.
Wing of the M. E. church. Mrs.

met Mr. Kroessin while she was vis-
iting with friends at Caldwell. There
was the usual serenade by the boys,
and congratulations by friends.

Otto Blackaby was here over Sun-
day from Homedale, where he is
looking after the business of the for-
warding company. He says the
Homedale section is making good
headway this season, many thousand
acres of new lands are being cultivat-
ed and the whole district is looking
good. The state is expending some
\$45,000 there and that is also help-
ing out as it means cash to the new
settlers.

The total amount of taxes collected
for the first half of the 1916 taxes in
Malheur county is something over
\$152,000. The sheriff's office was a
mighty busy place the first half of
last week. The sheriff is the offi-
cial tax collector in the several coun-
ties of Oregon. In this state, the first
half of the 1916 taxes became delin-
quent on April 5, hence the rush of
tax payers to pay their taxes before
they became delinquent.

There is some talk of petitioning
the county court to hold an election
only in the Vale precincts this year
and avoid the heavy expense and
labor of sending ballots to all the
precincts of the county. Practically
all the candidates for nomination are
in Vale and they could manage the
campaign at less expense if not com-
pelled to visit the other sections of
the county and meet the voters. Sure-
ly the office seekers should be given
some consideration.
